

**Julianne Kallman, P.E.**

Julianne has been with the City of Wichita in Public Works for 30 years. During that time, she has been in several different positions including Assistant Traffic Engineer and Subdivision Engineer and is currently the Utilities Asset Manager. Past projects of hers include Midtown Bike Path, Amidon from 21<sup>st</sup> to 29<sup>th</sup> St North and Stryker Sports Complex. At home, she and her husband have four children, two of which are in college now – one at K-State and the other starting his first semester at the University of Tulsa. The younger two are active in Scouting and Youth Symphony.
